Notes of Meeting - September 11, 1959Meeting between [redacted]

25X1

The problem of removing the surface finish [redacted] so that the surface of the metal may be treated is nearly satisfied. The remaining work involves the assembly of the required materials into a kit.

25X1

We have submitted the impact wrench, and the measuring tool with two test pieces for evaluation and study.

[redacted]

were delivered to the client.

25X1

A request for extension of this project was submitted.
